ytun0296@gmail.com

I am a passionate Junior Frontend Developer with experience building responsive and user-friendly web applications using HTML, CSS, JavaScript, React, and Tailwind CSS. I enjoy creating clean UI designs and improving user experiences through modern frontend technologies.

I am continuously learning new skills and working on personal projects to improve my development knowledge. I am motivated, detail-oriented, and eager to grow as a professional frontend developer while contributing to real-world projects and team collaborations.

MY PROJECTS

E-Commerce Web Application (Frontend) | Personal Projectt

Tech Stack: React.js, Tailwind CSS, Context API, Lucide React, JavaScript (ES6+)

GitHub: https://github.com/ytun0296-cmy/LuxeHaven.git

Live Demo: https://luxe-haven-kappa.vercel.app/

- Dynamic Filtering: Built a featured product showcase with real-time category filtering.
- Interactive Modal: Created a product detail modal with quantity controls and "Added to Cart" feedback.
- State & Auth Guard: Managed global cart state with Context API and restricted guest checkout with a login modal.
- Responsive UI: Designed a mobile-first, responsive layout using Tailwind CSS Grid and Flexbox.

Personal Portfolio Website | Live Demo • GitHub

Tech Stack: React 19, Tailwind CSS v4, Framer Motion, EmailJS, Lucide React, Vite

GitHub: https://github.com/ytun0296-cmy/my-portfolio

Live Demo: https://my-portfolio-zeta-ten-90.vercel.app/

- Modern UI & Responsive Design: Built a lightweight, mobile-first developer portfolio using React 19 and Tailwind CSS v4 with dynamic layout configurations.
- Fluid Animations: Integrated Framer Motion for smooth scroll-triggered section entries, interactive hover states, and seamless page transitions.
- Serverless Contact Form: Implemented a direct contact messaging feature using @emailjs/browser for client-side email delivery without backend overhead.
- Iconography & Visuals: Designed consistent visual elements using Lucide React and React Icons for improved UX readability.
